

Trial Membership Offer Form

Welcome and Congratulations!

We are so glad to see that you have chosen to try our hassle free, no-commitment membership with one of the most forward looking active chapters in all of APICS! Great choice!

This ***trial membership*** provides you the opportunity to attend each of our evening professional development meetings (PDM's) and any other Boston APICS event at the same fee as a regular Boston Member during the 2006-2007 chapter year, which ends in June 2007. We kindly ask that you refrain from making any votes on any of the chapter business during the trial period, but welcome you as an equal on all other matters. The Board at Boston APICS aims to create value for our members. We want to distinguish ourselves from others in not only the variety of opportunity, but in the ***value*** that Boston APICS members receive. Members receive discounts for almost everything we do and they range from Seminars, Classes, PDM's, CSCP text books, and more.

Please visit our web site www.bostonapics.org to learn more about the Boston chapter and what we can do for you. Also please log onto our national site at <http://www.apics.org/> to learn more about what benefits a formal membership will provide.

Upon completion of the attached form, you will be provided with a trial membership number, which will remain valid until June 30, 2007. We ask that when you do attend your first Boston APICS event, please identify yourself to any one of the Boston Board of Directors (identified by nametags, and group introductions). We want to make sure that you get all of your questions answered and that the Board members personally welcome you aboard!

If you do formally join the Boston Chapter before the end of your trial period, let us know and we will be glad to buy you dinner at your next PDM attendance.

Please forward the completed form to: Zuby Sing at Zuby.Singh@ElectricInsurance.com
